

*Healthcare Benefits Reimagined*

## Group Health Insurance

Provide your team with better coverage that fits your budget.

### Better For Everyone

Insurance benefits are essential to attracting talent and retaining a healthy, productive workforce. Keeping premium costs under control is also critical to your business. MoTek Insurance helps businesses of all sizes develop better coverage plans at the most competitive rates so your benefits enjoy the best of both.

### Creative Solutions

“I have worked with David and the staff at MoTek Insurance for many years. Finding someone willing to step outside the box of traditional benefits programs with a no-nonsense approach is still refreshing. Their service is second to none.

– A Valued Client

### Group Insurance Services

#### Small Group Insurance

Split costs with employees to build plans with the diverse coverage they want.

#### Co-Op Large Group Benefits

Designed for small companies to pool resources for large group rates.

#### Large Group Insurance

Create the right mix of health benefits and retirement options with complete HR compliance.

#### Health Insurance Tax Accounts and Credits

Use tax-advantaged options to benefit employees and your business.

Find fiscally responsible health benefit options for your staff.  
Consult with MoTek Insurance Agency.
